Nestled in the vibrant heart of Swansea's music scene, The Bunkhouse stands as a beacon of creativity, community, and sonic excellence. With a capacity of 235, our venue provides an intimate yet electrifying space where music lovers gather to experience unforgettable performances.

At The Bunkhouse, we pride ourselves on our commitment to showcasing a diverse range of talent, both local and touring. In the past year alone, renowned touring artists such as The Lottery Winners, Pastel, Afflecks Palace, CVC, Panic Shack, Trampoline, Benji Webbe, Callum Beattie, Casey Lowry and many more have graced our stage, even bringing in artists such as Fontaines DC & Bullet For My Valentine as guest spots, paying homage to our venue's rich musical legacy. From chart-toppers to indie darlings, our lineup reflects the eclectic tastes and vibrant energy of Swansea's music scene.

But our dedication doesn't stop with touring acts. We firmly believe in nurturing local grassroots talent, providing a platform for emerging artists to shine. We are committed to fostering the next generation of musical innovators.

Our pivotal role within the grassroots scene in Swansea is underscored by working with esteemed

promoters such as SJM, CAA, ATC, MVT, ATG, and many more. Working with these promoters allows us to curate diverse and dynamic events that resonate with audiences of all backgrounds and tastes.

Central to our mission is our commitment to sonic excellence for all artists. The Bunkhouse boasts a state-of-the-art sound system from Outline, setting a new standard of audio quality within the industry. From crisp highs to thunderous lows, every note is delivered with clarity and precision, ensuring that each performance is a transcendent auditory experience for all artists through our award winning tech-team.

In recognition of our dedication to excellence, we've been honoured with prestigious awards, most recently in 2023 being finalists at the esteemed Live Awards and earning the title of Welsh Music Venue of the Year. These accolades serve as a testament to our unwavering commitment to delivering top-tier entertainment experiences and our enduring impact on Swansea's vibrant music community.

At The Bunkhouse, music isn't just entertainment—it's a passion, a lifestyle, and a celebration of creativity in all its forms.

We look forward to working with you!
